Fit-Out Projects And Manufacturing Wooden Furniture & Decorations

We pride ourselves on being one of the largest contractors and furnishing companies in the Saudi Arabia. We own and operate a woodworking factory and three workshops (advertising workshop, metalwork workshop, and solid-surface workshop) specializing in retail stores, cafes, and commercial offices.

## OUR MISSION

Providing the best service to our customers from start to finish with fast and quality deliveries.

## OUR VISION

Maintaining the same high pace of speed and performance.

### Fit-Out

Distinctive contracting experience. We work on HVAC, plumbing, fire, low current, data, CCTV, and audio video systems that are compatible with the building code and its restrictions.

### Shopdrawings

Our engineering team draws shop-drawings compatible with the Saudi Code and Civil Defense

### Wooden Furniture & Decorations

We own a woodworking factory, machines and machines that enable us to manufacture wooden furniture and decoration using CNC, and laser machines

### Maintenance and Warranty

Quick response to fault assessments and prioritization of repairs at sites
